

Tour of Chicago's West Loop June 27, 2018

On Wednesday afternoon, June 27th, a group of Supplier Network members shared a “West Loop Walk Around”, courtesy of members Caitlin Costello, Katie Dornfeld, Natalie Klasna, Alex Dreckshage, and Morgan Faase. These members live in the city, and were gracious enough to help the downtown newbies get a feel for the neighborhood directly surrounding McDonald’s Headquarters (NEW acronym MHQ). The group was given practical information regarding the best restaurants for lunches/dinners, quiet wi-fi coffee spots (to get work done), hotels, places for copies, and a general lay of the land. We had a beautiful day, and all of the attendees are now much more comfortable with tackling the terrain while working with our MHQ friends. A Fulton Market District map and brochure with location names, addresses, and suggestions was included with our tour.
