

Communicating Credibility Workshop with Jeff Hornstein February, 2017

What were the benefits?

This full day workshop will include one on one coaching and mentoring, improving your ability to craft an effective and targeted message specific to your audience. This workshop curriculum is full of influence building skills including body language, vocal practices, presentation structure and audience engagement techniques. Know what to ask, how to ask and be confident in your delivery.

Testimonials:

- *Communicating is such a vitally important activity it was well worth the time and I found the content and instruction was excellent.*
- *The 1 on 1 coaching helped point out opportunities that you typically do not get in a larger group environment with one instructor.*
- *Instructors were top notch!!*
