

HAVI Presents: McDonald's Traceability and On-Boarding Process

Introduction and Overview

In this presentation, HAVI will explain McDonald's Traceability practices, why they practice it, and how it is enabled.

Through this presentation you will:

- Gain an awareness to the value of Traceability at McDonald's
- Understand the importance of data and physical components of ASNs down stream
- Be prepared to begin working on onboarding with HAVI

When: Thursday, October 5, 2017

Time: 2:00-3:00 pm

Location: WEBINAR link in invite
