

Celebrating our Differences

SN Inclusion Moment

An attack on our Asian American communities is an attack on all of us. They are our customers, our crew, our employees, our franchisees.

They are us.

We want to be clear that today, and every day, we stand with them, together.

The steady rise of incidents of hate across our country is senseless and wrong. And all forms of racism, xenophobia and discrimination are wrong.

We pledge to commit a charitable donation to Stop AAPI Hate and OCA - Asian Pacific American Advocates to support victims of hate and bystander intervention programs.

We do not tolerate inequity, injustice, or racism.

We stand against Asian hate.

How do you
celebrate
differences every
day?
