

**McDonald's Innovation Center and Armada Supply Chain Hub Center Tour
July 18, 2017**

The group took a tour of McDonald's Innovation Center and got a peek into the inner workings of the Armada Supply Chain Hub Center.

**McDonald's Innovation Center and Armada Supply Chain Hub Center Tour
July 18, 2017**

What the attendees are saying:

- *I've been in the system many years and learned something on the Hub tour that we can use as a potential cost savings opportunity*
- *Appreciated understanding all of the ARMADA services available to McDonald's and 3rd parties.*

What was the most valuable part of the tour?

- *The tour and all the details to support McD*
- *Helped with thinking through the operations aspects of new products.*
- *Understanding how McDonald's uses the facility to test across the globe*
- *The value logistics and distribution brings to McD*
- *Learning about the set up required for the Innovation Center*
- *First hand tour and expertise to answer questions*
